The Rector Writes

Lent Course 2019
Theme: The Lord's Prayer in Lent (Luke 11:1-4)
Praying it, meaning it, living it!

Name of Course:
Engaging with the Lord's Prayer

Ask ten people what they mean by 'prayer' and the chances are that the majority will indicate something which means persuading God to do something which he would otherwise not be inclined to do, or for some reason he needed to be reminded about.

As we pray the Lord's Prayer we hopefully see prayer differently. Prayer is rather a means by which we engage with God in the work of his kingdom, or as somebody once said 'conspiring with God towards the healing of creation.' Prayer is a readiness to rest in the presence of God trying to look at life through his eyes, bringing our activities under his sovereign will.

This course is about the Lord's Prayer and I hope that it will help us all as we think about prayer in general, what it is and why we do it. The word 'spirituality' has become very important as people struggle with the issues raised by the poem by William Henry Davies. 'How can our lives become more meaningful and how can we develop the spiritual side of our being as we struggle with the demands of life'? How can our lives become more meaningful and how can we develop the spiritual side of our being as we struggle with the demands of life?

The name Lord's Prayer was given because it was a prayer which Jesus taught his disciples when they asked him 'Teach us how to pray," (Luke 11:1)

Why would they ask Jesus how to pray? These disciples had been praying all their lives in synagogue and recited every Sabbath in worship. Didn't they already know how to pray? Clearly there was something about the prayer of Jesus which made the disciples feel they were missing the mark, their prayers lacked the power and meaning Jesus' had.

We will see that in the Lord's Prayer Jesus recognises that true spirituality is not something ethereal and removed from daily life. Actually it is about committing ourselves to live by God's ways in our ordinary daily living.

For the record perhaps a glimpse of what Jesus considered to be good 'spirituality' can be seen in the Gospel of Luke Chapter 10:25 where we read of a man who comes to Jesus and asks what he must do to inherit eternal life. Jesus agrees that the man is correct when he says, '*Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind'; and, 'Love your neighbour as yourself.'*"

Everyone is invited to attend. Groups will be meeting in the Vault every Wednesday from 13th March to 10th April.

Forms of application for enrolment will be delivered to your door if you are on the present Electoral Roll but are available at the back of the church for new applicants or if for some reason you fail to get one delivered at your house. You can also get an application form on our website. Please ensure the return of the completed application form to the Rector or Churchwarden by Sunday, 24th February 2019.

Mothering Sunday- 31st March- Tattenhall Church

Traditionally, it was a day when children, mainly daughters, who had gone to work as domestic servants were given a day off to visit their mother and family. Today it is a day when children give presents, flowers, and home-made cards to their mothers.

History of Mothering Sunday

Most Sundays in the year churchgoers in England worship at their nearest parish or 'daughter church'. Centuries ago it was considered important for people to return to their home or 'mother' church once a year. So each year in the middle of Lent, everyone would visit their 'mother' church - the main church or cathedral of the area.

Inevitably the return to the 'mother' church became an occasion for family reunions when children who were working away returned home. (It was quite common in those days for children to leave home for work once they were ten years old.)Most historians think that it was the return to the 'Mother' church which led to the tradition of children, particularly those working as domestic servants, or as apprentices, being given the day off to visit their mother and family.

As they walked along the country lanes, children would pick wild flowers or violets to take to church or give to their mother as a small gift. At Tattenhall, this service is going to be held on 31st March at 10.30 am service. All are invited.

Parish Council Precept

The precept, which you see on your council tax bill from CWaC, is the money raised by the Parish Council to cover its costs and pay for the events it runs.

At its January meeting, the Council made the difficult decision to raise the precept by 2% to £52,740 for the 2019-2020 financial year which equates to £47.42 per Band D property, less than £1 per week. This small increase will help the Parish Council to keep working for the residents of Tattenhall to maintain and improve the village.

Village Cup Nominations

Tattenhall & District Parish Council is looking for nominations for the Village Cup which will be awarded at the Annual Parish Meeting on 30th May 2019.

Nominees should have made contributions to Tattenhall and demonstrated their community spirit.

Please forward your nominations to the Clerk, contact details below.

Green Dog Walkers' Scheme

Tattenhall Parish Council wishes to address the issue of dog fouling in the village and a trial is underway of the Green Dog Walkers' Scheme, which has been used successfully elsewhere. A survey of dog fouling in and around the village has already been undertaken by volunteers and further surveys will take place to measure the success of the scheme during the coming year.

Under the scheme, dog owners will be asked to make a number of promises. In return they will then be given a free supply of biodegradable disposal bags and a luminous green dog tag to attach to their dog's collar to confirm that they are members of the scheme.

Dog walkers will be asked to agree to a number of rules, including always to carry bags to clean up after their dogs when out walking and to be able to offer other dog walkers a spare bag if necessary. Dog owners will be able to sign up to the scheme on **Wednesday March 20th between 9.30-11.30am** and **Saturday March 23rd between 9.30-11.30am** at Alison's Country Kitchen. Following this, forms will be available at the Post Office, Tattenhall News and the Friday Market from Ann Wright, clerk to the Parish Council.

Thank you for your help in this matter. We hope we can look forward to a cleaner village.

It is cheap as you can join for only £30 per year. The green is centrally placed in the village behind the Sportsman's Arms. You will receive a good welcome and the gentle exercise is good for your health.

OPAL Older People Active Lives

The year 2019 is passing quickly! Members have met as usual on a Tuesday at the Barbour Institute and we are about to celebrate the 90th Birthday of one of our members.

The Tattenhall Committee has met and discussed various issues, Repeated concerns were expressed regarding our volunteer rotas especially as we have only three Key workers which means insufficient for a monthly rota and heavy demand if one of the Key workers is absent.

The lack of new volunteers remains a problem but perhaps more serious is the question of finance. Members only pay when present so some weeks fees only pay for the hire of the room and the lunches. Payment for other items such as insurance and travel are then paid from reserves. Without extra income this year could be critical for the Tattenhall Opal Club, now in its 26th year, with several of the original volunteers still giving their time to a group of appreciative people.

Dear Residents

There have been a number of incidents in the surrounding areas **over the past month.**

- These have varied from domestic heating oil theft to the removal of scrap metal from an industrial site. A quad bike was stolen from a locked farm outbuilding and copper piping and other scrap items were stolen from a closed down former hotel on two separate occasions. A high value bicycle was stolen from a locked garage.
- An attempt was made to gain access to properties by a man under the guise of carrying out a survey on A roads for people aged 18 –55. It was rightly reported to the Police by a concerned resident who feared for elderly residents' security. The man was spoken to by Police.
- Residents are reminded to **set timers for lights / radio etc** to make property appear occupied. Before you arrive home in the evenings houses can look very vulnerable and a possible easy target for opportunistic thieves.
- **Dog waste bags** have again been placed on bins by HomeWatch to encourage the cleaning up after dog walker's animals. If you are one of the few owners that have not been cleaning up after your dog please do so. It spoils our beautiful area for everyone, and is also unfair to all the many responsible dog owners who are put in a bad light. We strongly encourage everyone to look out for anyone not picking up dog waste and report them with as much information, such as photo/name address / time, etc to ASBUnitChesterandRuralWest@cheshirewestandchester.gov.uk
- Anti Social Behaviour can also be reported to jonathan.hurst@cheshire.pnn.police.uk at Dragon Hall/ 101**CRIMESTOPPERS on 0800 555 111 /or through your Council, e-mail** ASBUnitChesterandRuralWest@cheshirewestandchester.gov.uk
- Electrostatic HomeWatch window stickers are now available please see the Drop In info below. If your existing HW sticker requires replacing or you are a new member and would like one please get in touch.
- **Police Surgeries** are an opportunity for residents to meet local officers and report any concerns or issues they might have. Please come and say hello. For more recent dates and locations ring 101 for advice.
- Weekly Police surgeries are also held on Friday at Dragon Hall Police Station between 2pm and 3pm.

The Police always welcome your call on 101. Let them make the decision on its urgency and method of dealing with your concern. If you aren't sure about a suspicious situation you can
