ALL ARE VERY WELCOME

St. Alban's engaging with the Community

FROM THE RECTOR

"Humble yourselves, therefore, under the mighty hand of God so that at the proper time He may exalt you, casting all your anxieties on Him, because He cares for you." (1 Peter 5:6-7)

Being humble for most people brings to mind a form of weakness. If someone practices humility, it means they are not a "go-getter" and do not care about performance or working hard. It is the weak one who is humble and is dependent on someone else.

Why do you suppose the Bible has so much to say about being humble? Maybe we have got it all wrong and the one who practices humility is actually the strong one?

God cares for us. He is mighty. He calls us to humble ourselves under Him. This is not because He is a controlling God that wants you to bow down to Him because you are nothing, but rather because He wants to exalt us and care for us. As we humble ourselves, that is when we truly worship Him. We are trusting Him with what is going on in our lives and believing He is the provider instead of ourselves.

I have noticed lately in the majority of my conversations with people that everyone seemed tired. We are constantly busy doing so many things and we have no idea when all this is going to stop. We are weary and taking on a lot of responsibilities. We are working hard for our families, communities and the world at large. We are trying to attend as many social events as possible. We are trying to meet targets of life.

But the Lord says; *"Come to me, all who labour and are heavy laden, and I will give you rest. Take my yoke upon you, and learn from me, for I am gentle and lowly in heart, and you will find rest for your souls. For my yoke is easy, and my burden is light." (Matthew 11:28-30)*

Jesus does not seem to be talking about a life that is full of anxiousness and weariness as we follow Him. He makes a point to state the exact opposite on how we can find rest in Him. He is speaking to those that labour and are heavy laden.

I cannot speak for anyone personally, but I know for a fact that we are all suffering from this. We are working too hard. We are thinking way too much mentally. We are putting things on our shoulders that do not belong there. Most of the time, we are probably putting so much effort into the wrong things all together. I am guilty of this too.

Do not let culture tell you that putting everything on your shoulders is wisdom. Trust Jesus when He tells you that His burden is light.

"Rejoice in the Lord always; again I will say, Rejoice. Let your reasonableness be known to everyone. The Lord is at hand; do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. (Philippians 4:4-7)

THE ARCHDEACON'S VISITATION SERVICE will be held on Tuesday 2nd May

ST ALBAN'S CHURCH, TATTENHALL

SERVICES	Sunday mornings	8.00am and 10.30am
	Last Sunday of the month	6.00pm
	Wednesday	10am and 7.30pm (Quiet Prayer Time)

ORGANIST REQUIRED

St Alban's Tattenhall needs an organist.

After many years of enjoying the services of dedicated organists within our church, we currently have one Organist and a Pianist who sometimes cannot cope with the volume of services. We have a weekly Sunday morning service at 10.30 am and this is further compounded by weddings, funerals and some special services at Christmas and Easter.

Maybe you know someone who is retired but willing to offer their services or someone willing to learn or perhaps a pianist who wants to learn to play the organ – the church could assist with tuition fees.

FESTIVAL SERVICES

Monday 1st May is in the feast of St Philip and St James, Apostles.

Tuesday 2nd May is the Archdeacon's Visitation

Thursday 25th May -is Ascension Day, an important day in the church year. The Holy Communion will be celebrated at 7.30pm in the Lady Chapel.

Friday 26th May- feast of Augustine, the first Archbishop of Canterbury.

Sunday 4th June is Whitsunday. This is an important day in the calendar and one which, since the abandonment in this country of the Bank Holiday which was once attached to it, has lost its public prominence. All who worship at St Alban's are urged to worship on this day, if at all possible.

Our annual Outreach service will be held on this day – in the Letters Inn at 11am

Parish Clerk: Jean Dutton, Hill Farm, Burwardsley, Tattenhall

Chairman: Neil Matthews, Poplar Hall Farm, Newton Lane, Gatesheath

Tattenhall Parish Council met as usual on the first Monday in the month which was 3rd April.

The chairman, Cllr Matthews had sent apologies due to illness and all present offered our best wishes to him for a quick recovery.

Cllr Keeping stood in in his role as one of our deputy Chairmen.

The Clerk, Jean Dutton was also unable to attend because of illness, and best wishes went to her as well.

Cllr Weaver stood in as acting clerk for the meeting.

The meeting started as usual with Open Forum. Matthew Morris of Bolesworth Estate and a representative from Car Fest brought the meeting up-to-date with details of this year's event which would take place on 28th to 30th July 2017.

He reported on a big push this year for residents to be able to have priority for some 25% of tickets.

Residents, eligible by post code, would be contacted by mail to alert them to the deadline for registering.

Concern was raised regarding issues at the Redrow development and Matthew Morris agreed to investigate and report back. Amongst other matters, he would find out about the proposed name for the new road.

Considerable concern was expressed regarding parking on the High Street. The Community Safety Group was looking at possible speed restrictions on various roads within the village area and surveys would take place regarding these matters in the next

few months.

Concern was also raised regarding the problems associated with the recent flooding in Tattenhall Road / Park Avenue junction.

Due to the resignation of a Councillor, there was a casual vacancy on the Council and the Clerk had started the legal process to fill this vacancy.

"Operation Shield" was discussed at length . It is a system of unique marking of property assets to record who owns what if such get stolen and would be available in Tattenhall in the near future.

The progress regarding the new play area was reported. Cllr Black informed Councillors that a contractor had been chosen and asked the meeting for formal approval of the appointment.

Equally, we were up-dated on progress regarding the Community Land Trust and Cllr Chapman reported the details of the satisfactory progress regarding this. Discussions were continuing on the possible opening of a railway station on the Crewe / Chester line.

It was agreed that our A.G.M meeting should take place at the Barbour Institute on 8th May at 7.30pm, and that the Annual Parish Meeting would be held at 7.00pm on 22nd May in the Barbour Institute, before the Planning Meeting which would begin at 8.00pm.

The months are quickly flying by and already we have moved on

to May!

In April members received an Easter card and a pot of flowers, either violas or cacti, and made their own Easter cards. An enjoyable visit to Bellis' Garden Centre at Holt was a popular outing with a good lunch and some retail therapy.

In early July members and volunteers have been invited by

Mrs Diana Barbour to Bolesworth Castle for coffee, bingo, lunch and a walk in the gardens. This has become an almost annual invitation and is much appreciated. Mrs Barbour has supported this Tattenhall facility since its launch in 1993 and some of our volunteers have also been volunteers since that date!

No wonder we continue to appeal for new recruits – could this be something YOU could do? Contact Keith Titchener (01829 770716) or Elaine Dunham (01829 771059) for more information.

Tattenhall & District Parish Council

Did you know that the Parish Council currently has a vacancy for a Councillor?

This is a chance to be co-opted onto the Parish Council to represent the views of the community in which you live, and to make a difference in Tattenhall

Councillors get involved with a variety of projects: at the moment one group is working on road speeds around the parish, and Operation Shield which is a police initiative. There is a playground group which is co-operating closely with some members of the community to rebuild the Park Play Area. You might want to be involved with the Tattenhall Remembers commemoration of the Armistice which is advertised elsewhere in the magazine or there is the opportunity to review local planning applications. Alternatively, you might feel strongly about a local issue which needs to be addressed and becoming a Councillor might be the impetus you need to do something about it.

If you would like more information about becoming a Councillor, please contact the Parish Clerk, Jean Dutton, on 01829 770379 or email Dutton@tdpc.wanadoo.co.uk

Dear Residents

A resident was alarmed to find that theirs and a neighbouring vehicle had been pelted with a considerable number of eggs in a private car park in the village. A duck from a nearby pond was seen and heard to be very distressed and in the car park some distance from its nest. It is believed the nest may have been tampered with.

In a follow up incident at 11pm, three males one with a mask two in hoodies followed a lone female to a house in an intimidating manner and then dispersed.

If you have any information on the people involved in either incident please call 101 or in complete confidence Crime Stoppers 0800 555 111.

Our local Police Officers will be carrying out the security marking of bikes on Saturday 29th April in TATTENHALL at the BARBOUR Institute. This is a free service.

The Police will be marking between the hours of 9am-3pm so if you want to register your bike on the National Bike Register, bring it along on that date. An acid marking paste is placed over a numbered stencil on the base of the bike. That stencilled number along with the rest of the bike's details and those of the owner will then be placed on the Police's National Bike Register. This makes it easier to return your bike after it is found should you be unfortunate to

have it stolen. If you miss this one, please get in touch for

details of future events which are usually held in Delamere Forest.

A small number of personal attack alarms, along with UV marker pens can be obtained at the Drop In on Tuesday at the Barbour Institute.

For further updates of when the next Tattenhall Police Surgeries or when and where the next bike marking will be held, please call 101 . Police surgeries are usually held at Alison's Café between 12.15-1.15 pm and the Library between 12-1 pm

The Police always welcome your call on 101 so let them make the decision to attend or not.

If you aren't sure you can always call HomeWatch 771641 for advice or **CRIMESTOPPERS** anonymously on **0800 555 111** .

More resources means Police back in our areas and better response times so make that call on 101 when you feel something is suspicious.

After 12 happy years I am sad to say that I am leaving. I only wish that I could say "goodbye and best wishes" to you all individually. I would like to thank all of the customers and patients who use the pharmacy for their loyalty and friendship during my 12 years as Pharmacy Manager. It has been a wonderful time, made so much better with all the kind words and thanks I have received over the years.

It has been a pleasure to work with such a happy, caring and conscientious bunch of girls and, of course, Alistair, not just within the pharmacy but also our fundraising events, local events, fayres and window competitions we have taken part in. I would like to wish everyone all the very best for the future and I will miss you all. Stay healthy and keep happy.
