Guidance Notes for the Cookery Section

1. Use new lids for jams and all preserves.
 2. Jars need to be full to the top of mixture to create the seal when the lid is applied.
 3. Wax discs are not needed with metal lids.
 4. Make sure that there are no air pockets in the jar as the contents will go mouldy more quickly. Remove with a cocktail stick.
 5. Careful thought given to presentation always gains marks.
 6. For the Victoria Sponge, the correct topping is caster sugar.
 7. Taste is everything so don't forget to season where required.
 8. All preserves should show date made.
