A Statement from the Churchwarden at St. Alban's

You will see from the letter the Archdeacon has written that Fr Lameck has been suspended from his duties until an investigation by the Police has been carried out. It is important to emphasise that suspension is necessary because of the guidelines the Diocese is required to follow in such circumstances. It is everyone's hope that this situation will be quickly resolved.

In the meantime there is no doubt that it is a difficult time for the congregations of the churches affected and a challenging time for the Church Wardens. The repercussions of such action resonate throughout the church community and the parish as a whole. No-one really knew how much work Lameck puts in and his contribution is very much missed particularly where pastoral care is concerned.

The Church Wardens and the PCC's of the three churches affected are of course saddened by the situation and admit to feeling a little lost when first advised of the news but each PCC is determined to carry on with its work and to make sure there is as little disruption as possible. There is bound to be some hiccups but we hope you will understand and regard any inconvenience with patience.

Plans are underway to ensure Home Communion will be available to those who would like to receive it. If you or you know of anyone in need of pastoral care please do get in touch with the appropriate person listed in the Archdeacon's letter.

Realisation that several regular and new items should have been included in this magazine came a little late to do much about it so look out for the August edition when we will catch up with weddings etc.

Thank you for your understanding and please keep Lameck and his family in your thoughts and prayers.

George Richards

A Letter from The Ven. Dr. Michael Gilbertson, Archdeacon of Chester

I am writing this piece for the Parish News at a very difficult time in the life of the three churches.

As many of you will already know, Father Lameck, the Rector, is currently suspended because the police are making enquiries around concerns over payments to him from an individual.

Please do pray for everyone concerned in this situation, including Lameck and Perpetua. We hope that it will be resolved as soon as possible.

Ian Davenport (the Rural Dean), Pauline Butterfield (the Diocesan Safeguarding Adviser) and I, are working to support the churchwardens and three PCCs to make sure that the ministry of the three parishes continues while Fr Lameck is suspended. We will continue to stay in close touch to support the parishes in whatever way we can.

Meanwhile, if anyone requires a pastoral visit, including home communions, in Father Lameck's absence please contact:

As I write, I have in mind the psalm set for evening prayer this evening, which happens to be Psalm 136, a great hymn, which reminds us of God's faithfulness in all circumstances, in good times and difficult times. The psalmist speaks of the way God brought the Israelites out from slavery in Egypt, to freedom in the Promised Land. Through a painful and difficult journey, he was always with them.

So let us remember that great encouragement. As the psalm begins:

Give thanks to the Lord, for he is gracious for his mercy endures for ever.

The Village Surgeries Equipment Fund is a community charity (formed in 1985) which organises equipment purchases for the Doctor's surgeries in the villages of Farndon and Tattenhall.

Many people may not realise that the NHS do not provide everything that the surgery needs, and this additional equipment is used for the benefit and comfort of all patients.

Most recently a Doppler Ultrasound

machine has been bought by the Fund and was highlighted as a very welcome addition to the resources for the Surgeries.

To fund the purchase of this equipment, the VSEF run a 100 club which is drawn yearly, and you can purchase a number for £10. Numbers and forms are available in the surgery or at the chemist or email helen.jowett1@btinternet.com.

Thanks in advance for your support!

TATTENHALL OVER FIFTIES (TOFS)

Chairman: Noel Atkinson 01829 770808

What a varied time it has been for Tattenhall Over Fifties (TOFs) recently. The May 2nd meeting took place upstairs in the Billiard Room due to the local elections downstairs. We played two rounds of bingo with a lovely large bottle of gin being one prize and a beautiful box of chocolates the other. After that there was a fun quiz to round off the afternoon.

The first coach outing of the year took place in May to the British Ironworks at Oswestry which was both interesting and thought provoking. Members then travelled on to Shrewsbury where there was time to explore, shop or eat before the journey home.

At the meeting on Thursday 6th June the speaker was Carolyn Hicks from English Heritage who gave an interesting talk about the ongoing project at Beeston Castle which will see the reconstruction, by volunteers, of a Bronze Age Roundhouse using authentic tools from

the period.

TOFs are also on the "Squirrel Trail" this Summer. Huge thanks to Dave Roberts for painting "Boomer" who stands at the top of Harding Avenue and also to Chris Kearney and co. for "Cyril TOF" who stands in Ravensholme Lane.

The meeting on Thursday 4th July will probably feature a singer as will the meeting on Thursday August 1st – TOFs AGM and birthday. Looking forward to the AGM, if any member could spare a couple of hours each month to be on the committee they'd be most welcome.

Before that event there is a coach trip to York on 18th July however all seats for this have been sold.

The Llandudno trip will take place on Thursday August 22nd

Tattenhall Over Fifties meets in the main hall at the Barbour Institute - 2.00 til 4.00pm on the first Thursday of each month. New members are always welcome, so come along and be a TOF

The Tattenhall W I meets on Wednesday [July 17th at 7.30 pm](#) in the main hall of the Barbour Institute.

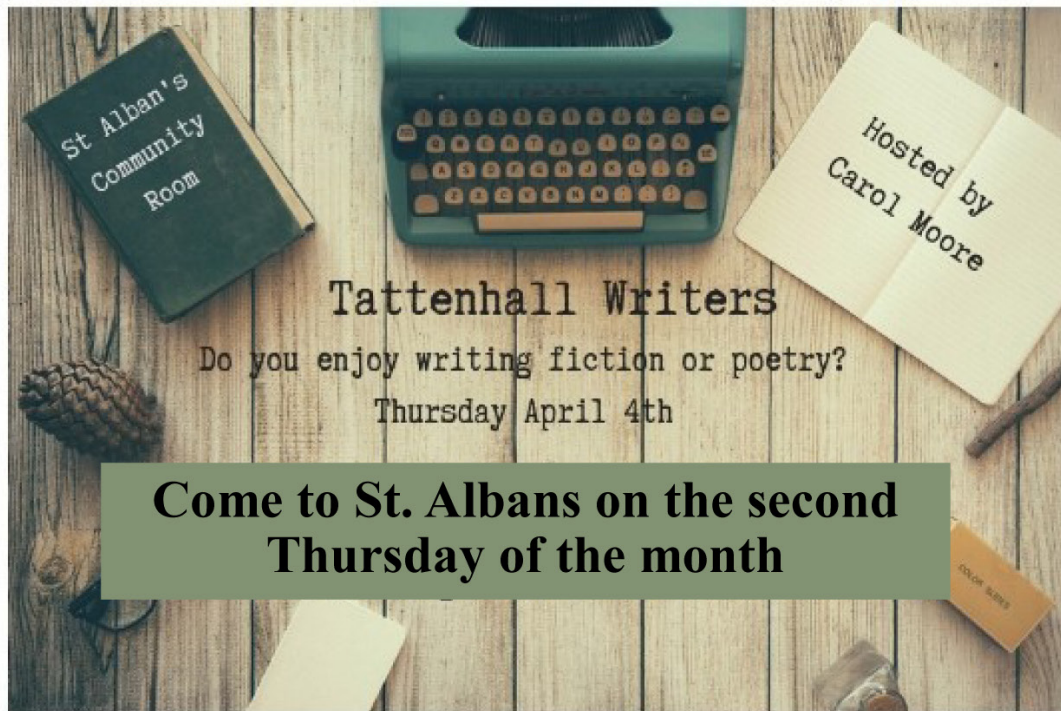

The talk will be "Chutney and Cheer" by Melanie Latham. This sounds an interesting topic and one which we are all familiar with in our kitchens over the years.

We offer a free taster visit to anyone who is deciding whether to join us. Our monthly activities include, walks followed by a lunch, book club, scrabble, crafts, coffee (slimming club). Our bee walks take place once a month for 1 hour, when we identify and record numbers of these important pollinators.

We would love to welcome you to our friendly group. For further information ring Ruth on 01829 770592

At the Annual Parish Meeting held in the Barbour Institute on 30th May, the Chairman of the Parish Council was delighted to present Tattenhall WI with the Village Cup in recognition of the tremendous work its members had done in creating the amazing poppy display in commemoration of the Armistice in 2018.

Annual Parish Meeting Assembly

The end of May saw the Parish Council hosting the Annual Parish meeting. It was wonderful to see it so well attended. The Chairman gave a summary of the key achievements from the year, including every Tattenhall household receiving DNA kits under Operation Shield, which are designed to mark precious property in your homes making it identifiable to you, if stolen. It also saw Tattenhall recognise the commemorations of the 100 years since the end of World War 1, including the wonderful display of poppies in the Barbour Institute during the commemorative weekend in November. This was organised by the Tattenhall WI which was awarded the Village Cup in recognition of their amazing hard work.

More Affordable Housing in Tattenhall

There was a presentation at the May meeting regarding a Community Land Trust planning application for three two-storey properties on the larger of two sites on Keysbrook and one bungalow on the smaller site. The properties are easy to maintain and allow for functional everyday living. It was resolved by the Parish Council to submit the planning application on behalf of the CLT.

Best Kept Village

You may have seen some Cllrs and kind residents wearing Hi-Vis jackets whilst doing some spring-cleaning of our village. We were so pleased with how little litter we found, but the weeds on the High Street kept us extremely busy. Cheshire West and Chester Council has now been to sweep the roads including the removal of the weeds. (Many thanks to those residents who offered kind words on our spring-clean around the village and to those who wished to discuss other issues

too – it is all really useful!)

Tattenhall Community (Link) Room

Tattenhall Primary and the Parish Council are pleased to be working together to provide a community (link) room facility for our entire community. This will be run by a charitable organisation and Trustees will be drawn from the school, Parish Council and wider community. We hope that a holiday club can possibly operate from there this summer if it can be organised in time.

At the June meeting, matters discussed included the lack of open space in Tattenhall. The Parish Council resolved to write to the School to pursue the issue of open access to the field during the summer holidays.

An ongoing survey of dog faeces around the area appeared to indicate that there was now less evidence of fouling.

Leaflet holders would be purchased to hold Millenium Mile and Local History guides and placed on the interpretation panels.

Matthew Morris of Bolesworth Estate attended this

meeting as his last before he leaves to take up his new role. Councillors wished him well and thanked him for his support over many years and issues.

The Parish Council was asked to support the correction of a name on the war memorial from "Jenkins T J" to R T Jenkins.

The Millenium Mile leaflet needs to be updated. Original artwork is available and volunteers are sought to undertake this task.

The next Parish Council meeting will be on Monday 1st July at 7.30pm in the Barbour Institute. All residents are welcome to attend.

BREAKFAST SERVICE AT ST ALBAN'S

Last month we launched our new Family Service which offers breakfast before the church service.

Bacon Butties, croissants, hot drinks, fruit juice – that sort of thing! Very good it was too. There was a lovely atmosphere and buzz about it.

COME ALONG ON THE FIRST SUNDAY OF EACH MONTH
AND SEE FOR YOURSELF.

The Service is very short and child friendly – no communion.

YOUR CHURCH – WHO CARES?

Many things have to be considered for a Church to function: the general everyday running; ensuring that the fabric is in good repair and secure and the cost of all of this.

How many of us know what it takes for a Church to operate? How many of us would rather let someone else do it and let's be honest – who cares?

I admit I never used to give it a thought. Wherever I lived, Churches were there, complete with hymn books, communion elements, candles large and small, a clergyman or two, a choir, readers, sermons – absolutely everything which was needed. Now I realise all this doesn't just happen. There is a band of people who work very hard to help with the running of St Albans and they do it for **you**.

St Albans needs more people to help with the jobs. You don't have to be a *worshipper* – you don't even have to walk through the church doors if you don't want to – just give a little of your time.

Apathy is fine while the Church is being cared for by others. Wouldn't you like to do your bit to ensure that St Albans is there for the generations to come or would you rather see it boarded up with a notice saying **CLOSED THROUGH LACK OF CARE?**

This list concentrates mostly on outdoor jobs (must be summer, despite the weather as I write this) but there are indoor jobs too!

◇ Keep the little garden by the porch maintained. (An hour every 2 weeks)

- ◇ Painting the gates (couple of hours for each gate every one or two years)
- ◇ Sweeping of the rear courtyard (behind gates) in autumn so we don't slip on the leaves (10 mins)
- ◇ Prayer garden maintenance (couple of hours every few weeks)
- ◇ Weeding around the pathways (ongoing)
- ◇ Brass cleaning – high up – calling tall people?

STOP PRESS:

The Graveyard round the Church has looked unkempt lately and there have been a few complaints but never an offer to help do something about it until a prospective groom and a few of his mates turned up and did a marvellous job of cutting the grass. THANKS GUYS for your hard work,

A large part of the graveyard is now under control and the aim is to keep it that way.

As the task is too daunting to tackle as a whole it has been divided into sections and needs a volunteer to be responsible for each one of those sections.

Could you be one of those volunteers? There is a large mower readily accessible to use.

PLEASE DO GET IN TOUCH WITH ME TO OFFER YOUR HELP
