

## **Tattenhall Park Primary School – new fence consultation**

### **Introduction**

A new fence is to be erected around the school playing field of the primary school to safeguard children. The school is working in partnership with the parish council and Cheshire West and Chester Council to undertake this consultation.

The analysis of the data gathered from this consultation will be published on [www.tattenhall.org](http://www.tattenhall.org) and the school website; [www.tattenhallpark.cheshire.sch.uk](http://www.tattenhallpark.cheshire.sch.uk)

### **Question one:**

You can see two types of fencing below including the cost for each; a mesh effect and a bow top.

Please select your preference:

- Bow Top    £36,126

## Question two

2a.

Out of school hours access to the area shown below outlined in purple.

The school wishes to explore how the area outlined in purple below could be used responsibly by the community during out of school hours.

Would you like to see the school playing field available to the community out of school hours?

Yes      No      Don't Know

If yes, please go to 2b.

2b.

The school playing field needs to be a safe environment for children free from dog fouling, broken glass, litter etc. How do you think the school can ensure this if access is granted to the community?

Please tick all that apply:

A friends of group is created (a friends of group usually consists of a group of people who voluntary work to improve, maintain and/or promote a green space)

Residents enforce informally (similar to a neighbourhood watch where residents are vigilant in reporting concerns)

Prohibit the use of the field by some users e.g.:

Make it a dog free zone

Only allow the field to be used by clubs

Restrict access with time restrictions e.g. for the access to be closed at dusk

Others (please comment)
