Christ is Risen!

Please join us at St Alban's for our Easter Sunday Communion Service

Sunday 21st April 10:30am

There will be an Easter egg hunt for all the children who attend the service!

The Rector Writes

What is Lent?

We are currently in the season of Lent but many people would like to know more about this period and what it is all about. Lent is the forty-day liturgical season of fasting, special prayer and almsgiving in preparation for Easter. The name "Lent" is from the Middle English "Lencten," meaning spring; its more primitive ecclesiastical name was the "forty days," "quadragesima" in Latin or "tessaracoste" in Greek. The number "forty" is first noted in the Canons of Nicaea (A.D. 325), likely in imitation of Jesus' fast in the desert before His public ministry (with Old Testament precedent in Moses and Elijah). By the fourth century, in most of the West, it referred to six days' fast per week of six weeks (Sundays are excluded).

Why give up something during Lent? In "giving up" something during Lent, whether that something is food or drink, a form of entertainment or something else pleasurable to us, we turn away from our selfishness and recognise that God alone will ultimately satisfy our needs and wants and cravings. We acknowledge that we do not and cannot fully provide for ourselves. Everything comes from God.

Along with Jesus in the desert, we acknowledge in the face of temptation that we do not "live by bread alone, but on every word that comes forth from the mouth of God" (Mt 4:4). As Jesus found strength and virtue in facing temptation in the desert, so the disciplines of Lent aid us in strengthening our will and our ability to say no to sin.

St. Augustine famously prayed, "You have made us for yourself, O God, and our hearts are restless until they rest in You". By giving up something during Lent we face our inner restlessness by removing the things or actions we often use to cover up our neediness and give us comfort. We acknowledge that only God will ultimately satisfy us in both body and soul, and at least for 40 days we can place our hope in God alone, trusting that our wants and dreams will be fulfilled in heaven by the providence of God.

At the end of our lives we will leave the gifts of time, treasure and our bodies in the grave until the Resurrection. Lent affords us the opportunity and challenge to live now as children of our heavenly Father, reliant on His grace.

New Electoral Roll- St Alban's Church Parochial Church Council

Like any other organisation, the church is expected to re- register its church members as in accordance with the Church Representation Rules. According to this rule, the current existing Roll ceases to exist after every six years and everyone who wishes to stay on the Roll must complete a new application form. If you were not able to meet the deadline, you can still apply online or get a copy from the church.

The Annual Parochial Church Meeting and the Meeting of Parishioners

These two meetings will take place on Sunday 7th April at 12pm. Although much of the business of the meetings is of a formal character, it is none the less important, and we urge all who worship at All Saints to be present. The matters under review include the election of Church Wardens, Councillors and Sidesmen.

A little bit of Humour!

A priest visits an elderly man from his church. As he sits on the chair, he notices a large bowl of nuts on the coffee table. "Mind if I have a few?" he asks. "No, not at all, the man replied. They chat for an hour and as the priest stands to leave the house, he realises that instead of eating just a few peanuts he had emptied the bowl. "I am very sorry for eating all your peanuts; I really meant to eat a few." "Oh that is alright," the man replied. "Ever since I lost my teeth, all I can do is suck the chocolate off them"

TATTENHALL and DISTRICT PARISH COUNCIL

tattenhallpc.co.uk

Parish Clerk: Ann Wright, 62 Well Street, Malpas, SY14 8QH Telephone: 01948 861035 Email: tattenhallpc@outlook.com Chairman: Iain Keeping

The Parish Council held its monthly meeting on 4th March. Items raised by residents included:

War Memorial Lighting

A resident asked that the lighting for the war memorial be inspected as it seemed to be on day and night.

Bolesworth Estate Update

Matthew Morris confirmed that the Estate was working with the police, CW&C licensing and the local MP to prevent the repeat of serious incidents at Car Fest. Mr Morris reported that it was taking up to 8 weeks for CWaC officers to be allocated to planning applications, and that the delay risked businesses hoping to invest in the area looking elsewhere.

Having met with a visually impaired resident of the village Mr Morris was shocked at the issues with dog fouling in the village and confirmed the Bolesworth Estate would do all it could to support the Green Dog Walkers Scheme.

Smithfield Pond

Concerns were raised about the management plan for the pond now that Redrow had almost completed their building works.

It was noted that the pond is a valuable wildlife resource and previously Tattenhall

Wildlife Group (TWiG) had spent a day each year clearing and tidying it with residents and would be happy to continue doing this. Due to the pond containing great crested newts not a lot can be done to it.

· 20mph Signage

A resident requested that the 20mpg signage is moved back beyond the bend from the war memorial towards Tattenhall Hall where the wall had previously been damaged.

It was suggested that the 20mph should be introduced on Park Avenue where there has been a significant increase in traffic and is seriously dangerous.

- The Parish Council awarded monetary grants of £500 or less to 15 local organisations which had made a formal application. The total amount of grants awarded was £6298.69. Councillors were pleased to be able to support so many community groups.
- The Minutes of each Parish Council meeting can be found on the website. These contain a full report of each meeting's business. For residents without internet access, the Clerk can supply a hard copy of the Minutes on request.

The Parish Council is looking for individuals, groups and businesses in and around Tattenhall who would like to be included in our Squirrel Trail this summer. People can create their own squirrels from waterproof materials, as they will be displayed outside, or can opt for a wooden 'cut out' squirrel which can be painted and decorated. A marine ply cut out can be obtained from the

Parish Council.

All squirrels must be registered and will be included in a trail leaflet which will be available to buy in Tattenhall. All funds raised will go to the Air Ambulance Service which provides a valuable service to people in the rural area.

For more information or to register a squirrel please contact the Clerk to the Council, Ann Wright, on 01948 861 035 or email <u>tattenhallpc@outlook.com</u>

Tattenhall W I meets in the main hall of the Barbour Institute on Wednesday 17th April at 7.30 p m.

Our speaker Mr Barry Fewster is talking about The Hills

of Hawkestone, a popular tourist

attraction in Shropshire. We offer a free taster visit anyone interested in our friendly group, so why not join us for the evening. Our many activities include - organised walks followed by a lunch, craft sessions, scrabble, book club, coffee/ health.

Our bee identification and count begins this month also, when we check locally and record these important pollinators. We would love to welcome you. For further information ring Ruth on 01829 770762.

Right plant, right place---

A garden always has different aspects, cold, windy, north facing; hot, dry, sunny sides; shady places that are dry or wet; the list goes on. There are plants that will grow well in all of these areas, but they are a minority and can get boring. At the Tattenhall Gardening Society meeting on April 10th we will have a panel who will discuss what will grow well in different parts of your garden, and give advice about all those difficult areas.

Please come with your questions and problems.

It's taken us a while! We finally feel able to share our ambitions.

The C L T wants to build 5/6 single occupancy units, for rent, for young people from

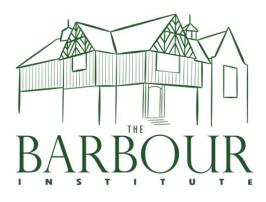

our community. You may remember that we want to do this on a couple of derelict garage sites, owned by Sanctuary Housing, in Keysbrook Avenue.

Our architects have drawn up draft plans, which we would like to show you at a consultation afternoon/evening in the Barbour Institute on **Wednesday 3rd April.**

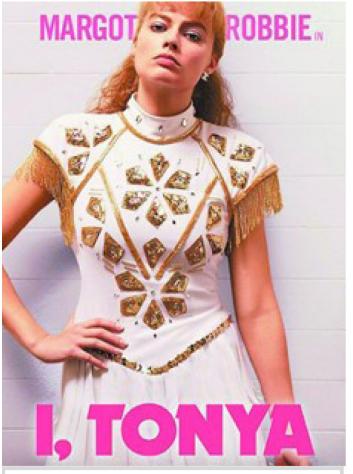

Members of the Board, our Architects, NWD of Kelsall, and John Heslewood of Cheshire Community Action, will be in attendance from 3pm until 8pm.

We have 150 members of our community who are members of the C L T: we'd love to see all of you at the consultation event. Members of the public are also invited, to view our plans and make comments. We might even persuade you to become a member! It only costs £1 for life membership, showing your support for our scheme. We hope to see you there! Sheila Chapman
