From Father Lameck

Two years ago the village of Tattenhall gave donations to children in Zimbabwe and as usual these gifts took time to arrive.

When I went to Zimbabwe recently, I had the opportunity to see how the distribution of the stationery and girls stuff to three different schools had been received. There was over flowing joy among the staff and their children as they could not believe how generous you are considering the distance between the UK and Africa. At one school, one girl cried as she received her mathematical set, books and pens. She was always borrowing others and never saw this day come. Receiving gifts is a great feeling but we sometimes do not realize what it does to the recipients.

Our lives are fulfilling when we give and share, and that great inner joy comes from helping others to better their lives. Giving provides an intrinsic reward that is far more valuable than the gift we receive. As Mahatma Gandhi said: "The best way to find yourself is to lose yourself in the service of others." True joy lies in the act of giving without an expectation of receiving something in return. The act of giving kindles self-esteem and brings happiness.

If you ask people why they give, the readiest answers offer clues to the mystery. 'God wants me to.' 'I feel better about myself.' 'Others need, and I have.' 'I want to share.' 'It is only right.' A hazy halo encircles these good-hearted answers, and if we bring it into focus, the following seems true: Giving takes you out of yourself. You expand beyond your limitations. When giving results in an experience of love, joy, peace, charity, caring, and self-worth, the process of expansion has begun. You get a glimpse of ecstasy.

Many thanks to all Tattenhall people for your generous donations.

Last Will and Testament

Have you written yours?

Have you considered writing one but haven't got round to it yet?

Have you considered leaving something to St Alban 's Church?

ST ALBAN'S CHURCH welcomes all gifts left in Wills – large or small. Our policy is to use the gift wisely and it would almost certainly go towards maintaining the fabric of the church building thus ensuring it will remain in a stable and safe condition for generations to come.

YOUR WILL is of course a very private matter and you do not need to disclose anything about what you leave or to whom. There are plenty of Solicitors who can guide and help you write it.

If you would like a general no obligation chat with us before deciding or would like information about what will happen to your gift should you leave one, please contact the Rector (Lameck Mutute 770345) or the Treasurer (Jane Richards 770482).

JANE'S JOTTINGS TIME TO MOVE ON

In April at the APCM I shall be standing down as Treasurer of St Alban's PCC after being in the post for 5 years. It has been an enjoyable experience and a privilege to serve St Alban's in this way. I don't really know how I ended up with this particular job because figures are not my first love – not my second either come to think of it! I am not an Accountant and never worked in finance apart from a stint at a Financial Advisors but that was all about pensions and investments. When asked somewhat unexpectedly by someone what qualifications I had for this job, I simply replied that I was honest and I could count. I know now that a comprehensive knowledge of XL would have been useful too!

I have said before one never knows what is involved until one does it. I discovered being Treasurer of St Alban's PCC is a busy and responsible position and I found I had a lot to learn. I often carried the perplexed look while scratching my head and on these occasions Fr Lameck would say:

"A year and a day, Jane – a year and a day!"

I reckon he was about right!
Covid hit during my term of office which saw the Church shut and income plummet. It was a worrying time but

many wonderful people of Tattenhall were incredibly generous and sent donations. Those from the most unexpected made my heart sing. With careful control on spending, a couple of legacies and this generosity we weathered the storm. Considering what a difficult time it was, the Account is in a pretty good position but we do need to get more income coming through each month in order to cover the basic monthly expenditure.

I would like to thank Lameck for his faith in me and the incredibly capable bunch of people who make up the PCC for letting me get on with the job and their encouragement during leaner times. Most of all I don't know what I would have done without Neil Friswell. He was always there to listen, help and guide when necessary and his Gift Aid experience invaluable! Thank you Neil for everything – I hope the cakes and dodgy ginger marmalade helped!

Various reasons, not least my condition, tell me it is time to call it a day. I am sure I shall miss being in the hub of things but I believe I am able to continue being a member of the PCC and will continue with my jottings until told not to! I wish my successor Steve Lawrence every success. I know he will be excellent; he is, after all, an absolute wizard at XL!

The Annual Parochial Church Meeting and the Meeting of Parishioners

These two meetings will take place on Sunday 30th April soon after the 10.30am service. The meeting will be held in the Community Room. Although much of the business of the meetings is of a formal character, it is none the less important, and we urge all who worship at St Alban's Church to be present. The matters under review include the election of Church Wardens, Councillors, Sidesmen and reports.

Church Calendar

Saturday 24th April The celebration of St George, The Martyr of England, c304.

Ascension Day

Thursday 18th May is Ascension Day, an important day in the church year. The Holy Communion will be celebrated at 7.30pm.

Whitsunday/ Pentecost

May 28th is Whitsunday, often, in the revised calendars of the churches, reverting to its older, Jewish name, of Pentecost. This is also an important day in the calendar and one which, since the abandonment in this country of the Bank Holiday which was once attached to it, has lost its public prominence. All who worship at St Alban's are urged

to worship on this day, if at all possible.

Trinity Sunday

4th June The Sunday following Whitsunday is called Trinity Sunday. It is a late-comer to the church year, dating only from the middle ages, and it was introduced in order to complete the round of the church year- those feasts and fasts by which we recall the significance of the life of Jesus are, Trinity Sunday reminds us, celebrations of a life significant because it is so designated by God.

OBITUARY

Sadly Jean Brunson of Ravensholme Court passed away on 15th February 2023 aged 96 with the funeral service being held at St Alban's Church. She originally grew up in Wallasey where she met her husband Fred Brunson and they married in 1949 staying on the Wirral before moving to Chester in 1962. However, it was when they moved initially to Burwardsley and then to Tattenhall in 1994 that she felt that her social life blossomed and she threw herself wholeheartedly into community life by organising various trips to

stately homes and gardens, and joining various local Women's Institutes, U3A, the Monday Club, Toffs and the Parish Council. Whilst she loved her family deeply, as they loved her, she was fiercely independent and wished to stay in Tattenhall surrounded by her many friends and close support network even when her health was beginning to fail in later years.

Parish Clerk: Ann Wright, 62 Well Street, Malpas, SY14 8QH
Telephone: 01948 861035 Email: clerk@tattenhallpc.co.uk
Chairman: Iain Keeping

The Parish Council held its meeting on Monday 6th March in the Barbour Institute. Bob Blackhurst thanked Councillors for putting a plaque on a bench in the Spinney in memory of his wife, Cllr. Georgina Blackhurst.

While footways at Rosemary Row and Newall Close had been improved to allow a blind resident easier crossing, Church Bank remained an issue. CWaC would be drawing up a plan and costs for this area. Further concerns were raised about parking at the primary school. This would be raised again with the police. An assessment was scheduled to establish whether the roads around the school would qualify for a crossing patrol.

CWaC would be installing inclusive play equipment at Castlefields play area and might try out similar equipment on the Park Play area.

The new fence on the path from Rean Meadow to Burwardsley Road was raised. The fence was included on the planning application but its position on the boundary was in question.

A number of residents came to the meeting to hear from Manor Farm about the Car Events which had taken place there. It was confirmed that this was a monthly event for which Manor Farm supplied a venue but was not involved in the organisation.

It had been reported that cars were speeding on the lanes around the venue but police had been in attendance and a meeting had been organised with CWaC, Manor Farm and Police about this issue. It was confirmed that Manor Farm had no responsibility for the behaviour of drivers once they had left the venue.

From the Agenda:

The Neighbourhood Plan review had been rolled out to Councillors by the working group. The Neighbourhood Plan area had been changed by alterations to the Parish boundary and this would be amended in the updated plan, subject to consultation

with the residents of the affected properties.

It was agreed to fund an up to date Housing Needs Survey as part of the review evidence.

It was agreed to replace the Parish Council Noticeboard on the High Street as this was in a poor state. The Clerk would work to the approved budget to find a replacement. A meeting had been held to discuss events to celebrate the Coronation on 6th May. While a Garden Party had been proposed for Sunday 7th May on the school playing field, there was a shortage of people to run this event as many Councillors were on holiday. Volunteers would be sought so that the event could go ahead.

Other ideas of a more lasting nature included a Clock for the centre of the village; a mosaic designed by the community, and a King's Walk from Memorial Wood to Dark Lane. The Clerk would apply for a grant to cover some of this expenditure.

The project to install Kissing Gates on some public footpaths was under way.

A working group was set up to look at the Mersey Forest project and make recommendations to the Council.

The Parish Council considered, and approved, grants to various community groups. Full details would be in the Minutes on the website.

The Clerk reported that she was having difficulty in finding an Internal Auditor for the Accounts. Please contact her if you could help in this way.

A Parish Council surgery would be held on 7th April at the Village Market at the Flacca at which residents could raise any concerns with the Clerk.

The next meeting of the Parish Council would be after the election on 15th May.

Time to get walking again!

interesting walks?

Walking in Cheshire <https://www.walkinginengland.co.uk/cheshire> has loads of walks to download and print, free. It also has books of walks, details of all the walking groups in the county and much more. Whether you want to walk on your own or with a group all the information is there in one place.

With Spring on its way we start to think about getting out to walk in the beautiful English countryside again, but where to find new and

John Harris (who maintains the website) said 'There is so much walking information on the web but it is difficult to find. Walking in Cheshire (part of the Walking in England website) has brought it together in one place so whether you are walking from home, or away on holiday, you will be able to find a walk suitable for you'.

With walks from half a mile to twelve miles plus long, and a note of suitability for pushchairs and wheelchairs, everyone can find a walk to enjoy.

So home or away, check out the websites and get walking!

Fr Lameck's Building a Nursery School!

During Advent 2021 St Alban's launched an appeal to send much needed educational supplies and sanitary wear to the schools in the village our Rector is from in Zimbabwe. Thanks to the generosity of the village of Tattenhall, not only did we have enough donations to send drums of items to the schools, there was enough to buy a small piece of land to be used in the future to build an Early Years Education Centre (Nursery School for 3-5year olds). The generosity of donations continued and together with hard work from the Mutete family, the plans are coming together, In January Fr Lameck returned to Hera to see how progress was coming along. The Stones Education Academy in Hera is now built and awaiting fitting out and more supplies of age appropriate equipment. Many thanks to everyone who has donated and helping to make this happen
