Greetings from the Rector

Beloved in Christ, as we step into a new year, we do so with

grateful hearts and renewed hope, trusting in the faithfulness of our God. The year behind us has carried both blessings and burdens, yet through every moment we have seen the steady hand of the Lord guiding, sustaining, and strengthening us. We had moments of joy and moments of challenge, times of celebration and times that tested our strength. Let us reflect on the Advent trail, Nativity Play, Carol Services/singing and all the festival services we held. All this reminds us of the love our community has and the unity that prevails in all sectors of our lives. The Scriptures remind us: *"Because of the Lord's great love we are not consumed, for His mercies never fail. They are new every morning; great is Your faithfulness"* (Lamentations 3:22–23).

A new year is a living testimony that God's mercy is still at work among us, calling us forward with fresh purpose. In the days ahead, may we place our hope firmly in Christ, who is our light in every season and our anchor in uncertain times. Let us walk into this year with courage, choosing faith over fear, love over division, and grace over despair. May our lives reflect the hope we have received, becoming a witness of Christ's love in our homes, our church, and our community.

May this year be one in which our homes are filled with peace, our communities are strengthened by kindness, and our hearts remain open to those in need. May we be people who listen more deeply, forgive more freely, and serve more generously. May the peace of Christ rule in your hearts, and may this new year be filled with hope, joy, and the assurance of God's abiding presence. Happy New Year, and may God's peace be with you always.

A Warm Welcome to Chester Cathedral

The cathedral is our mother church and many of us may not know that there is so much for us to go and see. It is not only a vibrant community of worship but it is an ancient abbey, an archaeological treasure, a cultural hub as well as a centre of musical excellence and a unique blend of

medieval and modern history.

Make a visit to Chester cathedral this year one of your new year's resolutions.

Mothering Sunday

to all Mums attending the service

Mothers' Day or Mothering Sunday - How did it start?

About 400 years ago the Christian Church decided that, on the 4th Sunday in Lent, people should visit the largest church or cathedral near to where they live which was called their Mother Church. They also took the opportunity to visit their families, especially Mum, gathering flowers along the way. And so the day became known as Mothering Sunday.

Jane's Jottings

What happened to me last issue? I missed the deadline. I didn't actually miss it, more I misinterpreted it. I don't know how I managed that. I shall blame it on pre-Christmas angst and all the jobs I had to do before we went off for a week to Anglesey. The irony is I submitted the article in very good time or so I thought. As it turned out I was very late! Unfortunately, I couldn't use it this time because the content was based around the festive season. The only bit I can crib is to say Happy New Year!

I belong to the U3A Music Appreciation group which I really enjoy. We sit and listen to a wide range of every type of music which is great, but I find it very difficult to sit and do nothing for two hours. It would be an ideal time to do the ironing but up to the time of writing no iron or ironing board has appeared in the Church Community room. I could take my own but that would be silly!

Recently I took a couple of bits of sewing although I spent most of the time trying to thread the needle! As we were leaving a fellow attendee suggested I write about "A Stitch in time" in my jottings. I am not sure what he meant exactly but I gave the idea

some thought and realised how appropriate those words are for me. I know I should put the light on before I attempt to find something in a darkish room, I know it is easier to put on trousers with bare feet, I know I should put my glasses on before I look at my phone and I know I shouldn't stretch myself silly to reach something when all I need to do is move closer or re position myself. Do I do these things? Rarely.

As you know (if you consult google) "A stitch in time" is a proverb. There are loads of them and they all make a lot of sense. I can't think of any that are wrong or unpleasant although I stand to be corrected. What I would like to know is how did they come about, who are these clever prophetic people who have issued so much wise advice? Here is a small collection. Look before you leap, actions speak louder than words, when in Rome do as the Romans do, don't count your chickens before they are hatched, the early bird catches the worm, a leopard can't change its spots, make haste while the sun shines.

If we lived our life according to the Book of Proverbs, would we be in the perfect place?

THREE CHURCHES TOGETHER

ST. ALBAN'S, TATTENHALL

Tattenhall Park School Christmas Nativity Play

Thank you so much to all the Tattenhall Park children, teachers, and staff for such a wonderful nativity play. The performances were joyful, confident, and full of Christmas spirit, and it was clear how much hard work and care went into every part of the production. It was a delight to watch and a lovely reminder of the true meaning of Christmas. Well done to everyone involved. God bless you all and Happy New Year.

Carol Singing In' The Letters'

Thank you so much to all the Carol Singers for such a wonderful evening at the 'The Letters'. Your singing created a truly festive atmosphere and brought a lot of joy to everyone there. It was a pleasure to listen to you, and you made the night feel very special. The community came together and celebrated the festive season with joy and laughter. Thank you for the donation raised for the church and in memory of the late Glyn who supported both church and community before the Lord called him home. Thanks Carol and Jan for making this possible. Once again, many thanks and Happy New Year to you all.

The Carol Service

Thank you to our wonderful community choir. The Tattenhall Singers, and the Tattenhall Church choir for the breathtaking gift you shared with us through the carols. Your voices filled the space with such beauty, reverence, and joy. Your angelic voices truly filled

the whole church and brought to us all the spirit of Christmas. You did not just sing, you carried us into the heart of the season, stirring awe, reflection, and deep gratitude. We are so thankful for the time, care, and passion you bring to your music, and for the way you unite and uplift our community. What an unforgettable blessing.

I would also like to extend my heartfelt thanks to each and every one who celebrated Christmas with St Alban’s. The Advent calendar windows, the lantern workshop, the church decorations, the singers the bellringers, and everyone who played a part in organising Christmas events. Your dedication is a blessing. Thank you all for sharing your talents so generously.

Please note The Rector is away until the end of the month.

ALL SAINTS CHURCH, HANDLEY

As we come to the end of this year, I would like to take a moment to thank you all for your faithfulness, generosity, and support throughout the past twelve months. Thank you for your commitment to our worship, for your prayers, and for he many ways you serve our parish community—often quietly and without recognition. I am deeply grateful to all who give their time and talents, and to those who support the church so generously as ‘Friends of All Saints’. This year has brought both joys and challenges, and it has been a privilege to walk with you through them as your priest. Your kindness, encouragement, and fellowship are a great blessing to me and to one another. As we look ahead to the coming year, I pray that God will continue to guide us, strengthen our faith, and draw us closer together in love and service. Happy New Year to you and all you love.

ST JOHN'S CHURCH, BURWARDSLEY

From The Burwardsley Leadership Team

Dear Brothers and Sisters in Christ,

As we begin this New Year, I thank God for each one of you and for the gift of our parish family. Your faith, prayers, generosity, and willingness to serve have been a true blessing throughout the past year. I am deeply grateful for your commitment to worship, your care for one another, and your support of the Church's mission. Whether through visible service or quiet acts of kindness, you have reflected Christ's love in our community. As we step into this New Year, may the Lord renew our hearts with hope, strengthen us in faith, and guide us in love. Let us continue to walk together, trusting in God's grace and seeking to serve Him faithfully in all that we do. May God bless you and your families with peace, good health, and abundant grace in the year ahead. Happy New Year to you all.

The Pheasant Carol Singing 2025 :Thank you very much for welcoming us into the Pheasant. The evening was full of joy and laughter as we sang our carols together as a community. We are also very grateful for the generous donation to the church. We truly appreciate your kindness and support. It was lovely to share the festive spirit with you and your customers, and your hospitality helped make the evening especially enjoyable. Donations such as yours make a real difference and are greatly valued.

Church Services: The church is available for baptisms, weddings and funerals. Please get in touch with the rector or any of our team members. We meet once a month for our Songs of Praise on the 2nd Sunday of each month at 4.30 pm. To those who would like Communion, please note that you can attend such services at St Alban's Tattenhall. (please see the church service page enclosed in this magazine)

St Johns has survived for another year. A special thanks go to our loyal congregation and the people of Burwardsley for their support over the past twelve months, Thank you for the grass cutting, fundraising, baking, delivering Parish Magazine, and generally giving of your time; to Sheryl (Poffee) for so generously saying 'yes' to requests to sell raffle tickets, door tickets, collect harvest festival donations and much more.

St Johns financial situation remains finely balanced and 2026 will continue to be a struggle to keep our little church on the hill open. One way you can help us is to consider making a regular monthly donation by standing order. Alternatively you might consider the Legacy Pot Scheme by collecting twelve of the small yellow Legacy Pot envelopes at the back of the church and donating a small amount each month.

For those happy to donate via standing order our bank details are:

That night saw the Christmas light switch which illuminated the village for the festive season.

As part of the Parish Council's community Christmas, the Snowman Trail was back. Eight lit up snowmen were placed on the High Street and children were invited to find a letter hidden on each one to make a Christmas word. Prizes were given to the successful players at the Spar, Tattenhall.

Letters to Santa also proved popular. The post box on the sleigh was kept full and those children who wrote to Father Christmas received a personal letter back from the North Pole.

Now, it's back to the serious business of Planning, Flooding and the Neighbourhood Plan review, all of which are important to the village.

The Parish Council wishes everyone

Last Will and Testament

Have you written yours?

Have you considered writing one but haven't got round to it yet?

Have you considered leaving something to St Alban's Church?

ST ALBAN'S CHURCH welcomes all gifts left in Wills – large or small. Our policy is to use the gift wisely and it would almost certainly go towards maintaining the fabric of the church building thus ensuring it will remain in a stable and safe condition for generations to come. YOUR WILL is of course a very private matter and you do not need to disclose anything about what you leave or to whom. There are plenty of Solicitors who can guide and help you write it.

If you would like a general no obligation chat with us before deciding or would like information about what will happen to your gift should you leave one, please contact the Rector (Lameck Mutute 770345).
