FROM THE RECTOR

The Day and Hour Unknown (Mark 13:32)

I was reading a magazine interview where a paramedic was explaining about his experience in saving lives. When the reporter asked him what he had learned about death through his work, he said; "I have learned two things: how fragile the lives of human beings are; and how hard it is for us to believe it.

When will death come to us? In the evening, or at midnight, or at cockcrow, or at dawn, or when we are asleep? It will come. Just do not believe it will not come.

In the Gospel of Mark, Jesus is talking to his disciples about the future. Many of us would like to know what the future holds for us and this is why fortune tellers do such a good trade, and why people want to know when the end of the world will happen, even though countless people before them have thought they knew and were wrong.

In Jesus' day people were waiting for God to come, waiting for the Messiah, the Christ, the anointed king whom God would use to kick the pagan Romans out of Palestine and give the Jews their own land back and give justice to the poor and downtrodden so that they got the life which they deserved. When is God coming to make judgement on bad people, the faithless people, the foreign people, they asked? And the disciples asked the same thing, because they saw God at work in Jesus, and assumed that what they expected about God coming to sort the world out was going to happen soon.

In chapter 13 of Mark's Gospel Jesus addresses this expectation. He talks about the forthcoming destruction of the wonderful New Jerusalem temple built by Herod, about the persecution of his followers, and about a time of dreadful suffering, which will happen in the lifetime of his disciples, but with yet further sufferings ahead. It is a bit like when you are trekking in the mountains and you see in front of you a range of hills which you

have to climb, and behind them you can just see the tops of an even higher range which seem quite close, until you get to the top of the first set of hills and see the distance that lies between.

Many of us long for justice; but we also have to fear what justice and judgement may mean for us. Isaiah and other prophets in Israel were very aware that, if we ask for God's judgement on the injustices and cruelties and sins of others, then we must be ready to face God's judgement on our own injustices and sins as well. And that judgement, says Jesus, is not just in the future. It starts here and now.

Our conduct has consequences, and we have to live with them, whether it is the hard reality of Brexit, or the degradation of the environment, or the hurt we cause to others. In these days of Twitter and trolling, people are quick to condemn and write words of hatred and judgement upon others. But to those of us who do, I urge you to stop and look at yourself, before other people do it for you. Jesus does not tell us about the future because we have to live in the present moment, which alone is where God is to be found. We do not find God in our regrets or our fantasies, but only here and now.

In Mark chapter 13, Jesus does not speculate or judge others, but turns the question back to us:

Have you been reconciled to God while there is time?

Have you found God's forgiveness and shared it with others?

Are you awake and living with God in Jesus Christ, whenever death comes to you, or are you sleeping in false security?

How fragile the lives of human beings are; how hard it is for us to believe it. When will judgement come to us? Is it in the evening, or at midnight, or at cockcrow, or at dawn, during the day or when we are asleep? Keep awake. For come it will.

Tattenhall Church Fete

It sounds so easy, but a nice thank you is so often forgotten. Yet it is one of the most important tasks for any fundraiser. As a church, we would like to sincerely thank all the organisers and helpers of our 2018 Church Fete which was held in the Rector's Garden on the 7th July. On behalf of the church, I would like to thank all those who came and supported us on the day and not forgetting all our valued sponsors from the community. All the funds raised are for the fabric of the church. Once again, many thanks. May God bless you all.

Music

Tattenhall Church has for a long time had gifted singers and some of these wonderful people are now retired. If you live in the village and you simply love singing in a small choir, please get in touch with the Rector. We will be delighted to have you as part of St Alban's Church Choir. The choir is looking for anyone who loves singing. Please note that you do not have to be someone who reads music but if you do, that is an added advantage. All we require is someone with a good musical voice.

Tattenhall Bereavement / Loss Café

Date- Friday-31st August 2018

Time 10.00am- Tattenhall Community Room/The Vault

As part of our pastoral responsibility in our community here in Tattenhall, we have come up with the idea of a 'Bereavement /Loss Café'.

The Bereavement/Loss Cafe was launched in July and will be run every last Friday of the month in the Vault/Community Room.

Our next Bereavement Cafe is on Friday, 31st August at 10am and our speaker is a Solicitor, Louise Holmes from Chester. Louise is a Solicitor specialising in all things Wills, Lasting Powers of Attorney and the administration of estates and is a member of the Society of Trusts and Estate Practitioners and a fully accredited member of Solicitors for the Elderly. She will be talking about Wills and Lasting Powers of Attorney. All are welcome.

What's it all about?

You may wonder if it will ever be possible to talk about your experience of bereavement, loss of your relationship etc. because for years, you may have kept it to yourself. This is the opportunity that we have created for you to come and share or simply listen to others who have walked their respective journeys. We strongly believe that our bereavement or loss experiences are different but there is always something we can learn from others how they have managed to walk the journey after losing someone special in their lives. As Church and Community working together, we invite anyone from our parish or even outside to come and be part of this journey. We meet from 10am to 12pm on the last Friday of each month. See you there!! For any questions or information, please contact: The Rector on **01829 770245**.

In The Diary

Autumn Bible Study

Many thanks for all those who managed to come to our June and July Summer Bible study series on 'Forgiveness and Reconciliation'. Our next bible study is going to be on Wednesday the 17th October in the Vault. We will be looking at "**Searching Stories**" from the Gospel of Luke which takes us to the heart of the Gospel.

17th October: Introductory Session

This session will consider the significance of stories in the life and faith and in the Gospel of Luke; and will explore how our human stories are interpreted and challenged in the light of Christ's story.

24th October: Session One- "Road to Emmaus"

In this session, we will enter into the Emmaus story (Luke 24:13-35) and will consider how the Risen Christ encounters us on our Journeys and in our stories, in the guise of a stranger and in the ordinariness of life.

31st October: Session Two- "The Good Samaritan"

We will enter into Jesus' parable of the Good Samaritan (Luke 10:25-37) and his encounter with the lawyer; and will allow the story to challenge and test the boundaries of our understanding of God's grace.

7th November: Session Three- "The Prodigal Son"

We will enter into Jesus' parable of the Prodigal Son (Luke 15:11-32) and will explore the ways in which God's love is offered and responded to in different relationships within the parable, and within our own lives.

14th November: Session Four- "The Widow and the Judge"

In this session, we will explore Jesus' parable of the Widow and the Judge (Luke 18:1-8); and will consider the ways in which persistence is a necessary element of faith.

21st November: Session Five – "Zacchaeus"

This session explores the story of Zacchaeus (Luke 19:1-10) and the ways in which we are met in the present by the living Christ.

Obituary

Gary Hall- 1958-2018

Gary was born in Cholmondeley where he grew up and worked soon after school. When his mother died, he was deeply troubled and lonely for many years until some good Samaritans came along. There were so many kind hearted people who helped Gary during his life. Today, we give thanks to all those wonderful friends and members of the community who took it upon themselves to ensure that Gary was never alone. On 27th June, Gary died at the Countess of Chester and a Farewell Service was held for him at Tattenhall Church. May his soul rest in peace eternally.

It hardly seems like another year has passed, but at the meeting on Thursday 2nd August TOFs celebrated their 9th birthday.

At the AGM Chairman Noel Atkinson read his report detailing some of the activities that the club had taken part in over the last 12 months. He also reported that the books had been audited by Sanctuary and that the accounts were in good order.

He concluded by thanking the committee for their work and the members for attending the meetings and outings.

Following his report elections took place and Noel was re-elected Chairman; Katherine Bosley, Vice-Chairman; Jack Raine, Treasurer and Carol Weaver, Secretary. The committee remained the same as the previous year.

Members were then entertained by Nathan Turner and enjoyed a wonderful afternoon tea which had been prepared by Jean Williams and Joyce Gelling with

cakes by Katherine Bosley.

On Thursday 16th August a coach of members and friends had their annual day trip to Llandudno. Shopping, eating and sightseeing was done, some people even paddled and a great day was had by all.

At the meeting on 6th September Rosie Lee will talk about The Reluctant Shepherd and on Thursday 4th October Geoff Williams will talk about walking sticks.

Chairman: Iain Keeping

The August meeting was opened in the usual way by the Chairman welcoming all attending, and starting with the allocated time on the agenda when the public can raise any concerns over local matters.

Items brought up and briefly discussed included the new bus shelter on Tattenhall Road, flash flooding, and how this was going to be overcome in the future, use of the community room and the lack of public open space.

The recent Scooter rally was discussed, as was the success of Carfest, and the good news that it will be returning to Bolesworth next year.

Agenda items included:

Planning

The planning application for the Bear & Ragged Staff was discussed, as was the planning application for Portico House.

Maintenance

Concerns over overhanging trees in the Spinney were discussed. The Parish Council had recently had all of its trees inspected and work was

carried out on the recommendation of the professional company which was engaged.

It was agreed that the hedge in front of the youth shelter be cut to a lower level. The Clerk would arrange this.

Various maintenance issues around the allotments at Gatesheath were discussed.

It was also agreed that several members of the Parish Council should be trained in playground inspection, to complement the annual inspection.

New parking restrictions on Chester Road were considered. The Parish Council asked for a change to the positioning of the double yellow lines which create a passing place. The request would be sent to CWaC and provided it was agreed the new parking restrictions would be implemented by CWaC in the near future.

The Chairman thanked all for attending, and advised that the next monthly meeting would be on 3rd September, all welcome.

Parish News Magazine Update

We are all aware of the value we place on our monthly 'Tattenhall, Handley and Burwardsley Parish News Magazine'. Not only is this an excellent platform

for news items within the village but it has also become an increasingly economic way in which to distribute flyers etc — The Sandstone Ridge Festival Flyer, the VSG PPG Newsletters and even Tattenhall Online being recent examples.

With this in mind, therefore, we are now introducing a modest £25 charge for circulation of any flyer or newsletter each month.

Considering that the total number of households to whom the Parish News is delivered is approximately 1450, then it is considered that this represents extremely good value for money as a distribution process. We have spoken to organisations who have most recently used this distribution method and they completely support such a policy; for that we thank them.

If any group within the village wishes to use this service, then please contact Dee Mason, Churchwarden with responsibility for the Parish News, at deezel2206@sky.com

We continue to thank our small army of volunteers who work tirelessly in circulating the Magazine — 'Engaging with the Community'.

The September meeting of Tattenhall W I will take place on Wednesday 19th in the main hall of the Barbour Institute at 7.30pm.

Linda Smith will be showing us how to make felt poppies to be used as in major commemorative exhibit to be displayed as part of Tattenhall's remembering 100 years since the Armistice was signed ending the Great War. Poppies have been under construction for this special event for some months, with many

knitters and sewers working behind the scenes to make the enormous number of flowers needed to complete the project. Many are still needed so do come along and swell the number being made.

We offer a free taster evening for anyone interested in joining our W I, to come and meet our friendly group.

We would love to welcome you. For further information ring Sue on 772659 or Ruth on 770762.

Dear Residents

The concerns mentioned last month about the time taken in contacting a 101 operator have been listened to by the Police. To assist in reducing the congestion, a list of alternative ways to convey information or requests of a lower importance to the Police have been issued.

Hopefully, this will free up accessibility for those needing to get through to an operator by telephone with useful information for the Police and reduce waiting times in doing so. <https://cheshire.police.uk/contact/contact-an-officer>

There were some incidents in the local and surrounding areas possibly under cover of the large influx of visitors during the Car Fest event. During the exceptionally good weather (open windows doors etc) opportunist thieves were around. One unsecured property in Burwardsley was entered and a large amount of cash was stolen from an elderly lady. A garage was broken into in Milton Green but their dog scared off the intruder. Other recorded incidents were/Criminal Damage 1/Burglary other 2/Burglary dwelling 1/theft other 1. A remote property had an intruder in the grounds early one morning and when he was challenged he was allegedly both violently threatening and verbally aggressive to the resident's family. This left the family extremely distressed as this was the second time in two years that such an incident had occurred.

Tattenhall Singers is a community choir with about 45 members. A community choir means **EVERYONE** is welcome, whether they can sing/

read music or not.

Absolutely no experience is required and we don't do auditions (no point - we're not going to turn you away), but we do have a professional Musical Director.

We're a bit unusual, apparently, because we have both male and female singers but that's great

because we get to sing a very wide range of material.

If you'd love to have a good sing - and a bit of a laugh as well - why not come along to the Barbour Institute one Tuesday evening 8-9.30pm in the main hall, or give Alex Radley a ring on 01829 770 386 and we'll arrange for someone to introduce you.

We start back on 11 September and would love some new members, but you don't have to be there on the first night - come any time.

The winners of the August draw were:

£50—number 21

£25—number 51

£15—number 53

The last monthly draw of the current year will be at
the Village Market on Friday 7th September

Membership forms are now available for the new lottery which starts with the
November draw.

The form can be downloaded at barbourinstitute.co.uk

or collected when you are in the building.
